### Newsorthy...

This is the month of love so we will focus on filling buckets and the practice of kind gestures and loving words and songs. Lately our Stars have shown an interest in building with loose parts, body movement challenges, and science experiments so we have added elements to our centres to provide opportunities for them to explore these interests.

We will have a party and exchange Valentines. Your child does not need to address the Valentines to their friends, they can just sign their names and we will have decorated bags out that teachers will drop the Valentines into. I will send out an email to each class with the number of Stars in each class. This provides a great opportunity to practice writing names! Remember Stars should use an Upper Case letter for the first letter of the name only and then lower case.

All classes will randomly go outside to play, for walks, and to explore nature so please bring appropriate and labelled outer wear daily.

I am interested in helping families connect outside of school, please let Miss Becki know if you'd enjoy a Star Parent text chat for your Star's class.

We hope you feel welcome and we encourage your feedback & ideas as we are always striving to improve our programs.

Biggest Hugs ~ Miss Becki & Little Star Superstar Staff

The children are the curriculum.
