

St. Greg/IRIC OSP

October is here! This first month has been so wonderful here at our STG OSP. The month has been filled with so many new friendships and getting used to our program and schedule.

The Stars have loved spending our mornings building puzzles or playing group board games and lego challenges. Our afternoons are always so busy with group sports like hockey, kickball and park challenges as well as various art projects or dramatic play.

Our big lessons over the month have been focusing on our main three expectations "Be Kind, Be Safe, Be Respectful" and finding ways to implement these things. Be sure to ask your Star what they mean to them!

This group has been so fun to be with and get to know. We have a very diverse group of personalities that make up our OSP community and the staff feel so blessed to get to care for them all.

REMINDERS:

*Please be sure to walk your Stars to the STG doors in the morning and come out of your vehicle at pick up. This is to ensure safety for all Star's and gives staff the opportunity to connect with you as this is very important to us all!

*When we host PD days please be sure to send your Star with indoor shoes, a full lunch and proper wear for outdoors as we are outside all year!

*We are accepting food bank items at all times through the year and they are so appreciated by the community!

*We always welcome feedback and ideas from families on how we can make our programs the best it can be!
