

St. Greg/IRIC OSP

Our month has been filled with so much fun! We've enjoyed our community parks twice a week and we love getting a quick walk in before enjoying the beautiful spaces. Our favourite thing has been going to the gym where we enjoy group games, roller cart races and big games of hockey. Sports continue to be a big highlight for our Stars and we've found awesome ways to incorporate this interest into art expressions as well!

PD days have happened so often and it's been so fun to see the two different OSP students come together. We are able to do so many art projects and visit new parks to help mix up our days.

We've had so much excitement around the future snow, and we can't wait to have some in the next few weeks so we can incorporate the fun ideas we have been brainstorming as a group!
