October News...

Welcome to Fall!

We had a great first month connecting with all of our Sweet Stars!

We have been observing that our Stars have shown a huge interest in building, painting, and role playing especially family play and phone conversations! We have added extra phones to our dramatic play after seeing the children use calculators

and other objects as phones. We have lots of interest in music and our Stars love finger poems and chants especially "going on a bear hunt" you can find this on YouTube. We are working on our scissor skills and building fine motor skills with lots of fun activities that encourage development through play.

As the weather cools off, please dress your Star for continued outdoor play including boots, snow pants, toques, and waterproof mitts. Please label everything and it might be handy to use a bag to keep all items together in such as a reusable grocery bag.

Quick note that we are starting to work on signing our "Autographs", please have your Star use a capital for only the first letter of their name followed by lower case letters for the remainder. We are also starting "Special Days" where your child will get their face painted, and take home our special buddy for an adventure sleep over. You will help your Star write about their adventure and send back next class to share!

As we are very thankful for all we have, we would like to help those in our community and will collect donations for our local food bank in cash donations (charity receipts given) or all non-perishable items are of course welcome.

(a list of items they are short on to follow via email)

Hugs from the Little Star Staff!

Dates to Note!

Oct 11, 14, 25

No school

Oct 11th

Happy Thanksgiving

Oct 3rd & 4th

Class Photos

Oct 16th

Pre-K AM visit from Maddox Dance Studio

Oct 24th
